of India to enhance the business ecosystem in the Country and in respective States/UT's. Government of India has issued specific directions for implementation cycle of Ease of Doing Business 2024. Considering the above, Government of Goa is pleased to make the following changes in the Government to Business (G2B) services ecosystem:—

The following may be noted:—

a. Business entities across the State that shall register on the Goa-Online Portal, shall be mandatorily required to enter PAN, which shall be used for any data interchange or identification purposes between Goa-Online and other Government agencies.

c. The G2B services (Clearances, Approvals, Renewals, NoCs etc.) offered through Goa-Online by the departments shall capture PAN for existing and new users. The Clearances/Approval/NoC will be issued on the name given on the PAN number, updating the name of the entity must be done on PAN Card, which will be updated to Goa-online portal upon validation.

2. For new businesses seeking to start their operations in Goa, the online wizard or Know Your Approvals was launched in the Goa

Single Window System. The wizard includes an exhaustive list of pre-establishment and pre-operation clearances/licenses and post operation compliances required to start and run a commercial activity in the State of Goa.

4. Further, to provide the latest and most accurate information to all the users, all state departments shall notify Goa-IPB about the addition and/or elimination of any pre-establishment, pre-operation, and post-operation licenses/clearances so that Goa-IPB may keep the wizard up to date. In case of changes, the wizard will be updated accordingly within a period of 30 days from the receipt of such notice by Goa IPB.

5. *Compliance Dashboard:*— This dashboard aims to provide insights on upcoming/ /pending compliance activities like renewals or return filings, there by acting as an active reminder system. This aids businesses to prioritize their actions thereby avoiding non-compliance. The compliance dashboard must be developed at State level, Department level and business/entity level by the respective IT vendors of the departments. The system such developed shall send notifications atleast 30 days prior to the due date for all clearances, approvals, renewals & NoCs. The
